

**Humane Slaughter Association**

## HSA Research Grant: Reporting template

HSA is a charity, and we are dedicated to advancing the understanding of farmed animal welfare during transport, marketing and slaughter. The impact of the projects that we support contributes to the bank of knowledge important for the improvement of farmed animal welfare across the globe.

By *reporting* on your research project supported by HSA, *acknowledging* HSA when you present or publish this research, and *informing* HSA of any publications or presentations arising from your work, you are helping us to ensure that we spend our funds in the best way possible and to achieve our main goal – improving the lives of animals – **thank you!**

<b>Project title:</b>	
<b>Applicant(s):</b>	
<b>Affiliation(s):</b>	
<b>Location of project:</b>	
<b>Grant amount:</b>	

<b>Brief Account:</b> Please give a brief account of your project. This should be aimed at the general public (ie people who do not necessarily have a detailed understanding of animal welfare or the subject area) and should explain the background of the project, why it is important for animal welfare, and the benefits/outcomes of the work.
<b>Presentations and publications:</b> If you have already presented or published your work (or have plans to), please give details:
<b>Any other impacts or important outcomes that have arisen from your project that you'd like to tell us about?</b> These could be related to the animal welfare impact of your project, e.g. perhaps your results brought about a change in an animal welfare care protocol, or they could be important to your own personal development, e.g. learning a new skill or making new contacts within the field.
<b>Photos: please do include photos where possible.</b> Photos really help us to illustrate the important work carried out by you, our grantees. Please send photos to <a href="mailto:grants@hsa.org.uk">grants@hsa.org.uk</a> (either as an attachment or via online transfer, eg WeTransfer).
<b>Press releases and social media posts:</b> Please email <a href="mailto:media@hsa.org.uk">media@hsa.org.uk</a> before issuing any press releases so that we can promote your work together. If there is a preferred person that you would like us to contact regarding media, please include their email address here: If you would like us to link to your social media when promoting your work, please include your social media handles here:

Please send your completed report to: [grants@hsa.org.uk](mailto:grants@hsa.org.uk).

Please note: excerpts from this report, and submitted photos, may be used in HSA communications such as the Annual Report, Newsletters, or online (eg HSAs website or social media).

For full reporting requirements, including copyright, publications and media, please refer to the Terms and Conditions for HSA Research Grants.
